## ABOUT THE SPRUCE CREEK FLY-IN...

The Spruce Creek Fly-in Community is the world's most famous residential airport. With a 4,000 ft lighted runway and a GPS approach, the private airport at the center of the community (7FL6) can accommodate anything from a Stearman to a Gulfstream. Originally a Navy airfield during WWII, it evolved into the world's largest residential fly-in community. Today, almost 5,000 residents, 1,300 homes and 700 hangars share a unique life in this private gated village. The first thing a visitor sees after driving through the security gates is a sign that summarizes the spirit of this community:

"Caution children and adults at play". A championship golf course and Country Club and 24-hr patrolled security complements the safety, privacy and enjoyment of our residents. Learn more about Spruce Creek at [7FL6.com](http://7FL6.com) and [SpruceCreekJournal.com](http://SpruceCreekJournal.com)

- ✈ Six Miles from the Atlantic Ocean and Beaches
- ✈ 4,000-ft Hard-Surfaced Runway
- ✈ Runway Lights and GPS Approach
- ✈ Country Club, Championship Golf Course
- ✈ Private Security

Located in The Islands of The Reserve section of the world-famous Spruce Creek Fly-In, this impeccable waterfront home was lovingly cared for since day one and shows like new.

Built on a premium lake front lot, it boasts extensive landscaping with tropical foliage and palm trees. Inside, this solid concrete block home has been professionally decorated with an open checkbook and an extensive list of upgrades.

Screened Lanai with plenty of space for outside dining offers a gorgeous view of the lake and serene pastures located behind the home.

Great room with views of the water and pastures through glass sliding doors offers architectural details, built-ins and pitched ceilings. The open kitchen with separate breakfast room and bar also offers views of the water through seamless corner windows and features plenty of natural light.
